

OXFORD UNIVERSITY HOSPITALS SCIENTIST TRAINING PROGRAMME OPEN DAY

**MEDICAL PHYSICS
SCIENTIFIC COMPUTING
CLINICAL ENGINEERING**

Suitable for undergraduates or graduates interested in training to become a clinical scientist in **Medical Physics, Clinical Engineering, or Scientific Computing.**

We'll be featuring talks from clinical scientists and current STP trainees on each specialty, how the STP works, and routes to becoming a clinical scientist.

Each specialty will have a dedicated Q&A where you can ask clinical scientists your questions.
