

Interested in becoming a Clinical Scientist?

Considering or already applied to the Scientist Training Programme?

Come along to our STP Open Day for Medical Physics (all specialisms) and Clinical Scientific Computing on Tuesday 4th March at Maidstone Hospital from 11-4.

An overview of the STP Programme and Application.

Working life as a Medical Physicist and Clinical Computer Scientist.

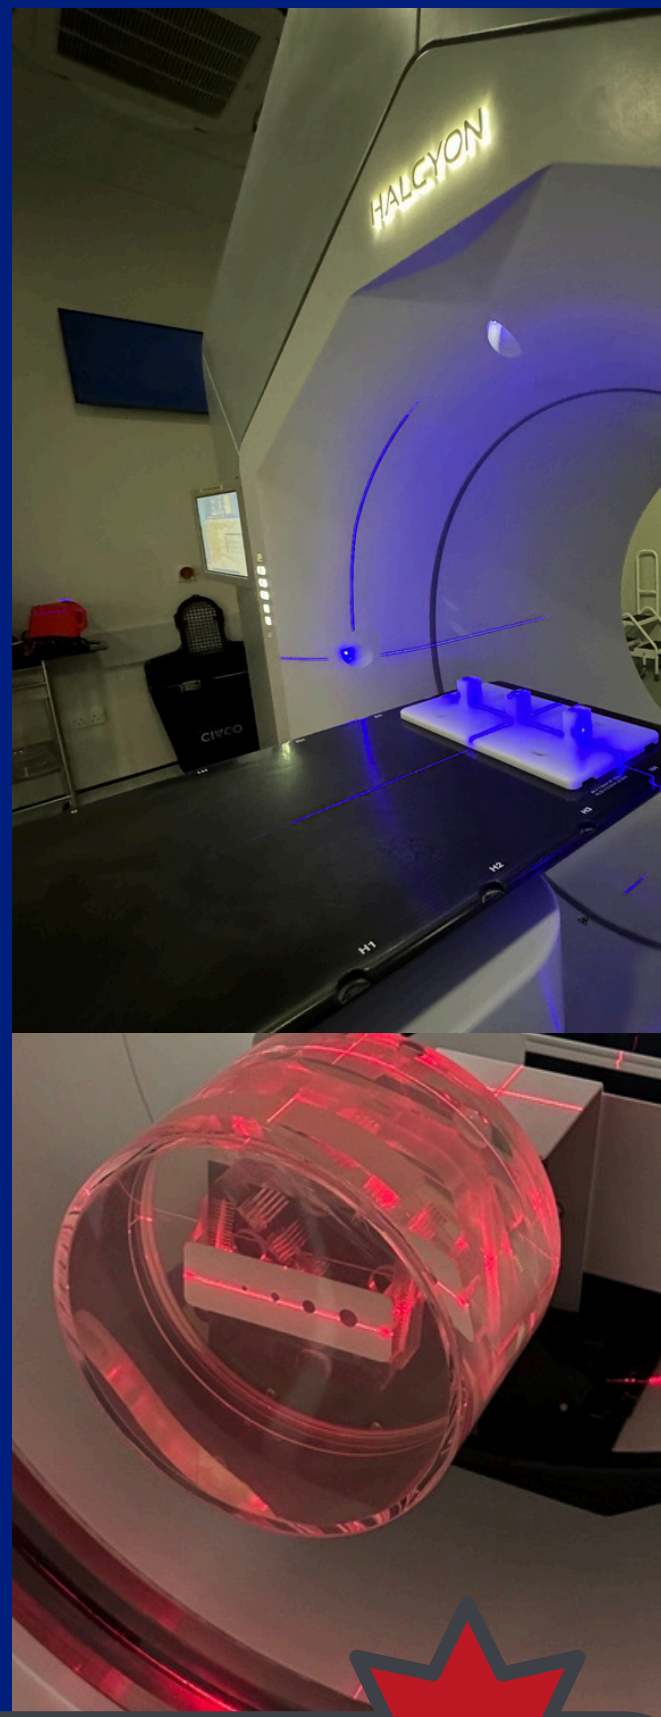

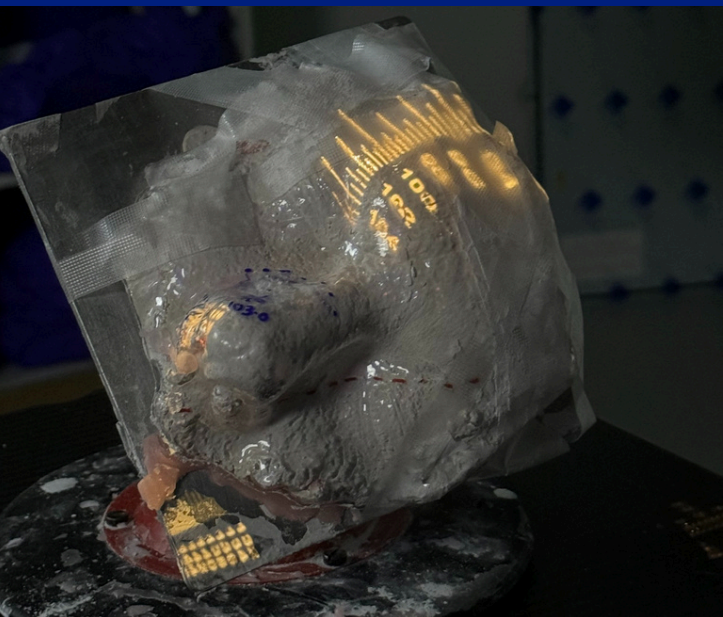

Past and present Trainee experiences and advice.

An insight as to how MTW maximises and supports STP training.

A tour of our facilities and departments.

To register for this Open Day please email maya.byrne@nhs.net
Closing date for registration is the 28th February!
